WANT SOUTHERN PRESIDENT

Tennessee Democrats Call State Convention to Start Movement

NASHVILLE, Tenn., October 25.—At Shelbyville, Tenn., last night a democratic mass meeting was held and a movement started looking to the nomination of a southern man for president. Among the resolutions adopted was the following:

"Resolved, That we commend the views here expressed to the democracy of the state and of the south, and suggest that from mass meetings of the democracy in each of the counties of the state delegates be sent to a convention at the capitol in Nashville, on Tuesday, November 11, 1907, and that the chairman be authorized to appoint a committee of five, whose duty it shall be to correspond at once with the democrats throughout the state, with a view to carrying out the object of this meeting and securing a representative convention at Nashville."

MINISTER IS ACQUITTED

Though Woman Accused Him, Jury Believed Nebraska Pastor Innocent

LINCOLN, Neb., October 25.—Rev. Wilbert P. Ferguson, once in charge of a Methodist church in Newark, N. J., was acquitted here today on the charge of improper conduct, preferred by A. E. Cross, husband of one of his parishioners. The woman accused him on the stand, but Ferguson denied her story.

Until recently Ferguson was pastor of the First Methodist church of University Place. He first had a hearing before the quarterly conference and was held for trial, but withdrew from the ministry. Then he brought suit against the Crosses and a half dozen ministers, claiming \$25,000 damages for slander. His enemies countered by filing the criminal charge of which he has just been acquitted.

FOUND OLD COINS

Workmen Unearth Ancient Pieces of English Minting

BURLINGTON, N. J., October 25.—Old residents see in the unearthing of ancient gold coins on High street, the city's principal business thoroughfare, confirmation of a belief that two buildings erected half a century before the revolution and until recently occupying the site of the new Burlington Trust company building, contained vaults of buried treasure. Workmen making a two-foot excavation for a new concrete pavement in front of the bank spaded up the coins. The men at once became excited and wanted to dig deeper, but the contractor objected. It is said he will do further digging himself. The pieces found are of English coinage and bear date prior to 1800. Contractors who razed the old colonial structure to make way for the bank building are believed to have made a rich strike. Many spectators got Spanish silver dollars found among the debris of the building.

SONS OF SIGNERS ORGANIZE

Washingtonian Made Officer of Society of Declaration of Independence

NORFOLK, Va., October 25.—The Society of Descendants of the Signers of the Declaration of Independence was organized at the Jamestown Exposition today, with these officers: President, Judge Albert McClellan Mathewson, New Haven; secretary, Thomas Jefferson Randolph, Norfolk; treasurer, William Shields McKean, Washington, D. C.

It was determined to meet annually on July 4. One hundred delegates, representing all the thirteen original states, attended the organization in the Maryland building, a replica of the old Annapolis capitol, in which Washington resigned as commander-in-chief of the continental army.

KILLED HIS SWEETHEART; GIVEN LIFE SENTENCE

BOSTON, Mass., October 25.—Walter Stock was sentenced today to life imprisonment by Judge Brown of the superior court for the murder of his sweetheart, Mary Agnes Bates, at Roxburg Crossing, April 30. Stock was indicted for murder in the first degree, but the court accepted his plea of guilty in the second degree. The shooting followed a quarrel over religious matters.

Cool Candy

Chocolates kept cool and fresh in the hottest weather at Van Wagenen's Post Office Store. Call and be convinced.

Thomas A. Edison, the great American inventor, says: "Fully eighty per cent of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat the wrong kind of food, the digestive organs cannot possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and warns you by headaches, belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat. Sold by Hanna's Drug Store.
